Meysydd i'w Datblygu

- Mae'n rhaid i ni edrych ar safonau gwrandio a darllen ymhellach yn ogystal a safonau siarad ac ysgrifennu. Yn dilyn y cyfnodau clo diweddar, fe fydd hyn yn ffocws i Sant Curig am gyfnod hirach. **(Gweler CDY 2022/23 a Blaenoriaeth 3 CDY 2023/24. Hefyd Gweler CDY Cynllun 3 blynedd)**

- Angen mireinio asesiadau mewnol fel ein bod yn cysoni'r prosesau ac yn defnyddio'r data mewn modd effeithiol. (Yn sgil dyfodiad y Cwricwlwm i Gymru a datblygiad Camau Curig) **(Blaenoriaeth 2 CDY 2023-24)**

- Gweithio ar Bolisi Perthnasedd a fydd yn ein cefnogi gyda dysgu Addysg Cydberthynas a Rhywioldeb. **(Blaenoriaeth 4 CDY 2023/24)**

- Yn dilyn adolygiad cwmni Paul Dix, mae'r ysgol yn bwriadu cysoni'r modd rydym yn disgylu plant a gosod rheolau. Rydym hefyd yn cynhyrchu polisi perthnasedd a fydd yn cryfhau'r elfen yma yn SC. **(Blaenoriaeth 4 CDY 2023/24)**

- Mae llawer o athrawon yn dadansoddi dysgu blaenorol yn dda ac yn gynyddol, ac yn ei ddefnyddio i osod her effeithiol sy'nadlewyrchu anghenion rhan fwyaf o ddisgyblion. Yn yr enghreiffiau orau, mae gwahaniaethu yn effeithiol ac yn cynnwys sgaffaldiau o ansawdd da ac heriau sy'n ymestyn y dysgu'n effeithiol, mae angen cysoni hyn ar draws yr ysgol. **(Blaenoriaeth 1 CDY AAGD)**

- Mae athrawon yn datblygu meddwl a dealltwriaeth disgylion trwy holi a monitro priodol o ran dysgu'r disgylion. Mae athrawon yn darparu cyfleoedd addas i ddisgyblion asesu eu dysgu eu hunain a'u cyfoedion, lle bo'n briodol. Serch hynny, mae angen i cysoni hyn ar draws yr ysgol ac i sirhau bod hyn yn weladwy o few dosbarthiadau a mewn llyfrau dysgwyr. **(Blaenoriaeth 1 CDY AAGD)**

- Mae medrau rhifedd y rhan fwyaf o ddisgyblion ar draws y cwricwlwm yn dda, gyda niferoedd cynyddol o feisydd rhifedd yn dangos perfformiad cryf. Maent yn cymhwysyo eu medrau yn aml ar y lefel cywir. Yn gynyddol, mae rhan fwyaf o ddisgyblion yn nodi lle gallant ddefnyddio eu medrau rhifedd mewn ystod o gyd-destunau dysgu. Ar y cyfan, defnyddiant y medrau hyn yn annibynnol. Mae'r mwyafrif o blant yn medru esbonio datrusiadau yn effeithiol ond mae angen datblygu a chysoni'r arfer yma ar draws yr ysgol.

(Blaenoriaeth 5 CDY)

- Teimlwn bod angen sicrhau bod y sylw cywir yn cael ei roi i holl agweddau o'r pwnc Rhifedd/mathemateg dros y flwyddyn. **(Blaenoriaeth 5 CDY)**

- We have to look at listening and reading standards further as well as speaking and writing standards. Following the recent lockdown periods, this will be a focus for Sant Curig for a longer period. (See SDP 2022/23 and Priority 3 SDP 2023/24. Also See SDP 3 year Plan)

- Internal assessments need to be refined so that we harmonize the processes and use the data effectively. (Following the arrival of the Curriculum to Wales and the development of Camau Curig) (Priority 2 SDP 2023-24)

- Working on a Relationship Policy that will support us with learning Relationship and Sexuality Education. (Priority 4 SDP 2023/24)

- Following the Paul Dix company review, the school intends to harmonize the way we discipline children and set rules. We are also producing a relevance policy which will strengthen this element in SC. (Priority 4 SDP 2023/24)

- Many teachers analyze previous learning well and increasingly, and use it to set an effective challenge that reflects the needs of most pupils. In the best examples, differentiation is effective and includes good quality scaffolding and challenges that extend learning effectively, this needs to be harmonized across the school. (Priority 1 SDP AFL)

- Teachers develop pupils' thinking and understanding through appropriate questioning and monitoring in terms of the pupils' learning. Teachers provide suitable opportunities for pupils to assess their own learning and

that of their peers, where appropriate. Nevertheless, it is necessary to harmonize this across the school and to ensure that this is visible in several classes and in learners' books. (Priority 1 SDP AFL)

- The numeracy skills of most pupils across the curriculum are good, with increasing numbers of numeracy areas showing strong performance. They apply their skills often at the right level. Increasingly, most pupils identify where they can use their numeracy skills in a range of learning contexts. On the whole, they use these skills independently. The majority of children can explain solutions effectively but this practice needs to be developed and harmonized across the school. (Priority 5 SDP)

- We feel that it is necessary to ensure that the right attention is given to all aspects of the Numeracy/mathematics subject over the year. (Priority 5 SDP)
